General Price List

(Effective: October 20, 2020)

Prices are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items that you desire. However, the required *basic services of the funeral director and staff* charge will be added to any funeral arrangements that you select. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

How To Use This Price List

We have tried to make our options as clear as possible to you. With the exception of our basic service fee, you can pick and choose any items you like to put together a funeral that is right for you. Our services are divided into eight main categories:

- Primary Services
- Care and Preparations of the Body
- Use of Facilities, Staff and Equipment
- Transportation and Automotive Equipment
- Burial Merchandise
- Simple Services
- Miscellaneous Merchandise and Services
- Packaged Services

If you want to put together your own funeral, start with Primary Services (our *basic services of the funeral director and staff* fee is mandatory, but everything else is your choice), then add what you like, from Care and Preparation of the Body, Facilities, Staff and Equipment, Automotive Equipment, Burial Merchandise, or Miscellaneous Merchandise and Services. If you prefer modest arrangements, you can find burial, cremation and other options without ceremonies in our Simple Services category.

Packaged services combine items that are typically chosen by families and offer substantial savings over purchasing these items separately. You can add additional items to any package that you chose. However, items in a package that are not utilized cannot be deleted.

Important Notice

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receiving a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Financial Policy

We offer families fair and competitive prices for services, thus we require full payment to be made on the day arrangements are made. For your convenience we accept cash, check, Visa or MasterCard. As a courtesy, we will accept insurance that is in force, assignable, and where our firm can handle the claim. Families who choose to use insurance policies or assignments to pay for services rendered will be charged \$250.00, or 10% for an insurance processing fee on the total amount of the contract, whichever is greater.
